

Twister Wood

The Twister Wood Flash Drive combines the popular design of our [Twister Model](#) with a beautiful wooden shell that's available in either dark or light wood. The 360° rotating metal shell can be Screen Printed or Laser Engraved with your logo. We can also engrave every item in your order with a unique name or serial number via our Individual Naming service. These unique values will accompany your logo and slogan on the product. This model is also available with a USB-C connector, see our [Twister Go Wood Flash Drive](#).
